

PONYTAIL PROGRAM HALF-DAY PARTICIPANTS SUMMARY OF IMPORTANT NOTES - BOULDER

- Our precious Ponytail half-day campers will attend from 9 a.m. until pick-up time which will be before or after lunch (your choice), which starts at noon. The only exception is on days when the whole camp is attending an afternoon field trip. In that case, half day campers must be picked up by noon.
- Must be signed in each morning by an adult listed on their “Authorized List” in the Game On! Office. From the office they will be escorted to their team area to drop off their backpacks which should contain extra sunscreen for reapplication, a full water bottle, a nut-free snack with a zip lock bag for storing any uneaten portion and a nut-free lunch if they will be enjoying with camp.
- Lunch: Your half-day campers have the option to join us for lunch as mentioned above. You must let us know by emailing maria@gameonsports4girls.com if you plan on opting in for lunch.
- What to Pack: In addition to sunscreen, a water bottle, nut-free snack with plastic bag and nut-free lunch, we ask that you send your camper with an extra set of clothes, including underwear, in a zip lock bag to be kept with her belongings at all times in case of accidents.
- Pick Up: When picking up your Ponytail camper, please go to the camp office to sign her out or find the Director or Assistant Director. You must present a valid I.D. each time and the individual picking up must be on your camper’s authorized pick up list.
